D-BACKS EVOLUTION

The Arizona Diamondbacks unveiled their 2016 uniforms on Dec. 12, 2015 in front of more than a thousand fans at Chase Field. The evolution of the team's on-field attire include eight distinct uniform options and the reintroduction of one of the franchise's popular original colors, teal, as well as a bold gray color for the team's road uniforms. In addition, a sublimated diamond pattern adorns the shoulder, back, sleeve and pant leg on various uniforms, a subtle reference to the club's name, snakeskin and diamond shape of a baseball field.

A new three-color wordmark, in a custom stylized font, is proudly positioned across the chest of each jersey while a front number returns to a D-backs' uniform for the first time since 2002.

The goal is to translate the American love of baseball into an appreciation, understanding, and passion for the science and mathematics underlying the sport.
- The season-long program aims to engage and empower students with a university research-based curriculum, designed with College Professor and STEM Expert Ricardo Valerdi. To date, more than 6,000 students, 200 teachers, and 100 schools have participated in the program.

- The D-backs host an annual STEM Showcase in which students and companies are invited to show off their STEM-based projects around the concourse at a D-backs game.

The "Diamonds Back" Field Building Program is the cornerstone of giving for the Arizona Diamondbacks Foundation, building or refurbishing 35 baseball fields since 2000. LOS D-BACKS IN THE COMMUNITY

COMMUNITY CONNECTION

- **D-BACKS GIVE BACK JERSEY PROGRAM:** In 2014, the D-backs Give Back Jersey Program was launched to support youth baseball and softball leagues in the Phoenix area. This year, the Arizona Diamondbacks Foundation received support from Fry's Food Stores, Tide and Western Refining, allowing the program to expand its reach and double the number of participating leagues. In 2016, 75 leagues will receive uniforms and caps for 40,000 youth baseball and softball players and coaches from across Arizona. Many of these leagues are located in mostly Hispanic communities.
- **D-BACKS DISTRICT 5 JAM:** For 18 years, the D-backs have hosted the D-backs inner-city Jam. D-BACKS SUSTAINABILITY

The Arizona Diamondbacks sustainability program is an organization-wide commitment to improving its environmental performance and to use baseball as the platform with which we can influence players, fans, employees and corporate partners to positively affect environmental change.

GREEN INITIATIVES & PRACTICES

- Salt River Fields at Talking Stick received LEED Gold Certification for New Construction, the first LEED Gold-certified sports venue of its kind in the United States…sustainable project elements include siting the stadium to provide maximum shade, using native vegetation, minimizing stormwater runoff, maximizing the amount of fresh air brought in through its HVAC systems and using grass-covered parking lots, rather than asphalt, that can double as playing fields for the community when not in use.
- The D-backs plan to divert paper, cardboard, plastic and metal products from the waste system and minimize water use throughout the ballpark.
- Encourage the use of alternative forms of transportation and lower the carbon footprint for Chase Field by reducing the amount of energy used for the facility's operation.
- In 2014, the D-backs replaced fluorescent lighting along the main concourse with energy-efficient LED lighting that will reduce the main concourse lighting power consumption by 60 percent each year.
- Hosted the first-ever Zero-Waste Spring Training game in Arizona on March 13, 2014 at Salt River Fields to bring awareness to recycling and composting.
- Contributing members of the Green Sports Alliance, a coalition of professional sports teams and sporting venues committed to promoting "greening initiatives" in sports.
- The APS Solar Pavilion generates 100,000 kWh of solar energy, generates enough electricity to power the lights at Chase Field for 11 home games.
- APS Electric vehicle chargers located outside Chase Field for fans to charge their car and learn more about alternative energy-powered cars.
- APS Green Series which is held annually to help educate fans on how to become more energy efficient and help protect the environment. During the APS Green Series, the D-backs purchased Green Energy from APS to power Chase Field for the entire three-game weekend.
- Media guides are available electronically; *D-backs Insider* magazine is printed with soy ink on recycled paper; most marketing collateral printed on FSC certified products.
- Renovation of Game Seven Grill on the Gila River Casinos Plaza included high-efficiency LED lighting and conversion of building to Building Management System to efficiently control energy use.

EXECUTIVES

E.G. (KEN) KENDRICK

MANAGING GENERAL PARTNER

A charter member of the ownership group that brought baseball to the Valley of the Sun, Ken Kendrick's involvement in the general partnership took on added significance in 2004 when he assumed the role of Managing General Partner of the Arizona Diamondbacks. Kendrick has taken an active role in the day-to-day operation of the D-backs and is the organization's designated representative when Major League Baseball owners convene during the course of the year.

During his tenure as the Managing General Partner, the D-backs have twice captured the National League West Division (2007, '11), reaching the NLCS for just the second time in the franchise's existence in 2007. As a commitment to the fans, Kendrick and the D-backs' ownership group continue to reinvest all profits into the team. Under Kendrick's leadership, through equity and debt restructures, the team has eliminated more than $210 million of debt, putting the franchise on sound financial ground for years to come. Additionally, he led the negotiations with FOX Sports Arizona on a 20-year extension that begins in 2016 and is the largest financial transaction in franchise history.

On the heels of signing the new television rights deal with FOX Sports Arizona, Kendrick authorized the largest free agent signing in franchise history this winter when the team signed right-handed pitcher Zack Greinke. The average annual value of the six-year deal is the highest in baseball history. The franchise also added All-Stars Shelby Miller, Jean Segura and Tyler Clippard during an active offseason.

Kendrick is in his 13th season in his current role and during that time, the franchise has become a model organization in Major League Baseball, hosting an All-Star Game at Chase Field in 2011, opening a Spring Training facility that is widely considered the finest in all of baseball in Salt River Fields at Talking Stick, and becoming one of the largest philanthropic entities in the Valley with charitable contributions topping $45 million since the organization's inception.

In 2013, *ESPN the Magazine* rated the D-backs as the No. 1 team in all of Major League Baseball in its Ultimate Standings, which gauges success both on and off the field and *Ranking Arizona* recently named the team the No. 1 place to work in the state among small companies.

While the D-backs are his primary business focus, Kendrick has also helped to change the face of downtown Phoenix, as he is a principal in the development of CityScape, Arizona's largest commercial/retail real estate development just footsteps from Chase Field.

After receiving a Bachelor of Science in Business Administration from West Virginia University in 1965, Kendrick started his career with IBM. Three years later, he founded Datatel, Inc., which has become the worldwide leader in the development of computer software for the management of infrastructure technology for colleges, universities and foundations.

As Datatel continued to grow and prosper, Kendrick stepped down from the daily oversight of the company to explore new business opportunities. He served as President of a Texas-based financial services technology company for four years in the 1980s. In 1989, Kendrick became the principal investor in Woodforest National Bank in The Woodlands, Texas, which now is one of the nation's largest employee-owned banks. Woodforest National Bank, a $4.5-billion entity with 5,000 employees, is a subsidiary of Woodforest Financial Group, which was founded by Kendrick and also includes Merchants' Choice Credit Card Services and Par Real Estate.

Kendrick also owns Bumble Bee Ranch, which is devoted to providing western lifestyle experiences to children's charities throughout Arizona in addition to the Ironbridge Golf Club in Glenwood Springs, Colo.

He is very active in many philanthropic endeavors, beginning with his role as Chairman of the Arizona Diamondbacks Foundation. The D-backs organization, combined with its Foundation, has surpassed the $45-million mark in combined charitable giving since its inception, including more than $19 million in the last five years. In 2011, Kendrick received the Ellis Island Medal of Honor from the National Ethnic Coalition (NECO). He and his wife, Randy, were previously named the Living and Giving Honorees for the Desert Southwest Chapter of the Juvenile Diabetes Research Foundation. Kendrick also received the Visionary Award from the Foundation for Blind Children, Spirit of the Children Award from Childhelp USA, Today's Kids/Tomorrow's Stars honoree of the Boys & Girls Clubs of Metropolitan Phoenix, River Conservator of the Year by the Roaring Fork Conservancy and was named Man of the Year by the March of Dimes. He also serves on boards for various charities including the Barrow Neurological Institute, Brophy College Prep, the Phoenix Art Museum, The Buddy Program, Childhelp USA, UMOM New Day Centers, Challenger Center for Space Science Education, TGen Foundation, Cleveland Clinic Foundation, Roaring Fork Conservancy, Phoenix Children's Hospital, Arizona Heart Foundation and is Founding Chairman of the Datatel Scholars Foundation.

As a prostate cancer survivor, Kendrick has made significant contributions over the years to fund research in that field and in 2013, the Cleveland Clinic created The Kendrick Family Chair for Prostate Cancer Research.

Among the other endowments funded by Kendrick are Project Excellence, an educational program for inner-city youth at Phoenix Country Day School (PCDS) whose mission is to enrich, engage and empower first-generation students (the first in their families to prepare for higher education) from local public schools and the Loyola Academy, which provides education to sixth, seventh and eighth graders at Brophy College Prep who demonstrate academic promise but have had limited educational opportunities. In addition, Kendrick has supported the Tuzos Soccer Club since 2009 to underwrite the team's expenses with costs for registration, field-use fees, uniforms and equipment. The Club allows players from low-income families the opportunity to play in high-level tournaments, where players can be seen by college and soccer coaches and have the opportunity to receive scholarships.

An avid baseball card collector his entire life, Kendrick owns the famed 1909 T206 Honus Wagner card that was once owned by hockey great Wayne Gretzky. The Wagner card and 34 other iconic and rare baseball cards in Kendrick's collection, titled "The D-backs Collection," were previously displayed at the National Baseball Hall of Fame and Museum in Cooperstown, N.Y., and are on display at the Phoenix Art Museum in 2016.

A native of Princeton, W.Va., Kendrick is an alumnus of West Virginia University in Morgantown and sits on the Board of Directors for the WVU Foundation. In 2014, he was named Philanthropist of the Year by WVU, one year after receiving an honorary doctorate from the university, considered higher education's

most prestigious recognition. He is the founder of the Center for Free Enterprise at WVU and he and his wife have established programs at WVU's College of Business and Economics focused on free-market research and at the WVU Eye Institute to support children's vision outreach programs. Kendrick funded the WVU Hall of Traditions, which provides a first-class showcase for the tradition of Mountaineer football and serves as a recruiting focal point at WVU. In 2006, Kendrick was inducted into the state of West Virginia's Business Hall of Fame and was also named to the WVU Academy of Distinguished Alumni. In 2011, he was inducted into the inaugural Roll of Distinguished Alumni at WVU's College of Business and Economics. He also sits on an advisory board of the University of Charleston in Charleston, W.Va., where he received an honorary Doctorate degree in 2005.

Kendrick and his wife founded the Freedom Center at the University of Arizona to promote, along four dimensions, the understanding and appreciation of the ideals of freedom and responsibility via published research, undergraduate education, graduate education, and community outreach. The Freedom Center also endows the Kendrick Chair in Philosophy and Economics.

The University of Georgia recently elected Kendrick to its Board of Visitors and its Magill Society and in 2016, he served as the annual guest lecturer at the UGA Terry College of Business Leadership program, a distinction recently shared by Falcons owner Arthur Blank and the legendary Warren Buffett.

In 2014, Kendrick was inducted into the Sigma Nu Fraternity National Hall of Fame, an honor bestowed upon less than 60 people in the nearly 150-year history of the organization. Among those enshrined are "Bear" Bryant, Pat Riley, Archie and Eli Manning, Harrison Ford, broadcasters Al Michaels and Joe Buck, as well as former Major League managers Dick Howser and Dallas Green. He was inducted into the Aspen Trashmaster's Golf Hall of Fame in 2014, and in 2015, he received the Angel Award (Man of the Year) from The Buddy Program.

Kendrick was honored recently with the prestigious Herman W. Lay Memorial Award by the Association of Private Enterprise Education, named for the former Chairman of the Board of Pepsi. The award honors individuals who have emulated the pattern of success and philanthropy that Lay lived while representing the best that the free enterprise system produces.

He, Randy and their two children, Cal and Catie, make their home in Paradise Valley, Ariz.

MIKE **CHIPMAN**

GENERAL PARTNER

Mike Chipman is one of the general partners who possess the largest financial stake in the franchise and in that capacity, routinely provides business insight regarding the future of the D-backs.

A graduate of the U.S. Air Force Academy with a degree in Computer Science, Chipman spent five years in the basic research arm of the Air Force, attaining the rank of Captain before resigning his commission to pursue a career in civilian life. He spent the next few years as a research scientist working in the area of computational physics, principally at Science Application International in La Jolla, Calif.

Chipman then made a huge impact in the computer software industry in the early 1980s when he and his wife, Evy, founded ChipSoft, Inc., the original owner and developer of TurboTax®, the leading income tax preparation software program for consumers and small businesses. Chipman served as President and Chief Executive Officer of ChipSoft until 1990 and Vice Chairman until 1993, when ChipSoft and TurboTax® were merged with Intuit, Inc. ChipSoft grew from a spare room operation in the Chipman's home to a 550-person public company by the time he retired from the business.

Since retirement, Chipman has invested in various businesses principally through an Investment Angels group. Chipman has had a hand in the development of the highly successful Bank of Internet USA and has been involved as an investor with other banks in Northern Nevada. He has been an owner of commercial real estate in Arizona for more than a decade during which time he became one of the primary investors in the D-backs.

In 2008, Chipman ventured on his longtime dream to complete the 2,650-mile Pacific Crest Trail hike on foot from the Mexican border in California into British Columbia in Canada. The trek took him more than five months to complete the majority of the trail from April through September. He finished the remainder in 2010. He has since completed the Grand Enchantment Trail (Phoenix to Albuquerque, 750 miles), Washington Coast Trail (400), Tahoe Rim Trail (165), the Colorado Trail (500) and the John Muir Trail (220). Mike says the Arizona Trail (800) is on the short list.

Mike and Evy make their home near Lake Tahoe, Nev., where he has built a model railroad, complete with nearly 1,700 trees, a project that has kept him busier than he ever imagined. The Chipmans spend a lot of "baseball time" locally in Paradise Valley after having wintered in Carefree for more than 10 years.

JEFF **ROYER**

GENERAL PARTNER

Jeff Royer is a General Partner of the Team. Royer's love for baseball began in his youth as a devoted fan of Warren Spahn, the record-setting, left-handed pitcher of the Milwaukee Braves.

Royer is a private investor with interests in telecommunications, cable television, medical devices, hospitality and wireless equipment.

DERRICK **HALL**

PRESIDENT & CEO

@DHallDbacks

Considered by many to be among the leaders of the game, D-backs President & CEO Derrick Hall has turned the organization into a model franchise within the sports industry and throughout the business world during his 10 years at the helm of the club. Hall focuses the organization's efforts in five areas he has called the "Circle of Success" - fan experience, performance, community, culture and financial efficiency - each of which has seen tremendous growth during his tenure.

The success of the franchise during Hall's tenure has led to numerous honors, including *ESPN the Magazine* tabbing the D-backs as the top Major League franchise in 2013 and sixth overall among the 122 professional sports franchises in the publication's Ultimate Standings, which is based on eight categories on and off the field.

The *Arizona Republic* recently named Hall one of 16 Arizonans to watch in 2016, citing his "positive influence [that] grows larger by the year" as someone who "works effortlessly to promote Metro Phoenix and the state." He was also named by Rise Global to its list of 100 Most Influential CEOs, a group that includes names such as Rupert Murdoch, Richard Branson, Elon Musk, Warren Buffett, Tim Cook, Biz Stone, Marissa Mayer and Larry Ellison.

With a focus on creating the best fan experience in all of sports, Hall has succeeded in accomplishing that goal at both Chase Field and at Salt River Fields at Talking Stick, the D-backs' Spring Training home near Scottsdale. Stadium enhancements at Chase Field that have taken place under Hall's guidance include the APS solar shade structure and Game Seven Grill in the plaza area, new HD scoreboard in center field, the Sandlot on the upper level, the Coors Light Strike Zone, All-You-Can-Eat Seats, The Draft Room and value-item pricing at concession stands and Team Shop locations throughout the ballpark as well as the recently renovated merchandise and concessions experience. Hall also installed, named and created a FAWTSY (Find A Way To Say Yes) customer service policy throughout the organization to further improve upon the extraordinary fan experience, as *Arizona Foothills Magazine* tabbed Chase Field as the Best Sports Venue in Phoenix in 2014. Last year marked the ninth consecutive season that the team offered the lowest Fan Cost Index in Major League Baseball.

In 2016, the D-backs have taken the innovative step of evolving the team's on-field attire, a two-year process that has been led by Hall and his leadership team with input from the players and fans. This includes eight distinct uniform options and the reintroduction of one of the franchise's popular original colors, teal, as well as a bold gray color for the team's road uniforms. In addition, a sublimated diamond pattern adorns the shoulder, back, sleeve and pant leg on various uniforms, a subtle reference to the club's name, snakeskin and diamond shape of a baseball field.

Hall's leadership has helped guide the D-backs to two National League West Division Championships (2007, '11) and one NLCS (2007). In 2014, Hall hired the first-ever Chief Baseball Officer in Major League history, naming Hall of Fame manager Tony La Russa to that post and providing him with the resources and responsibility to oversee the franchise's baseball operations. He and La Russa then hired Dave Stewart as Sr. Vice President & General Manager while adding De Jon Watson as Sr. Vice President of Baseball Operations. Together, the baseball leadership group tabbed Chip Hale as manager and witnessed a 15-game improvement last season.

On the heels of negotiating the largest financial transaction in franchise history – a historic 20-year television rights deal with FOX Sports Arizona which starts in 2016 – Hall and the baseball operations staff brokered the largest free agent signing in franchise history this winter when the team signed right-handed pitcher Zack Greinke to a six-year deal with the largest average annual value in baseball history. The club also added All-Stars Shelby Miller, Jean Segura and Tyler Clippard during an active offseason.

In the community, Hall has positioned the D-backs as one of the largest philanthropic entities in the Valley. In 2015, the Arizona Diamondbacks Foundation and the D-backs' organization surpassed the $45 million mark in charitable giving since their inception in 1998, including nearly $35 million in the past 10 years under Hall's direction. In 2014, the team launched the D-backs Give Back Jersey program which will outfit more than 40,000 youth players across 75 leagues this season. During the 2013 Yarnell Hill fire, the D-backs were able to give back more than $700,000 on behalf of their fans to the families of the 19 firefighters who lost their lives. In 2008, Hall established the Michael Wogan Season Ticket Scholarship Program, a first-of-its-kind program for fans or existing season ticket holders who may have experienced a change in circumstances, providing families with more than 362 full-season tickets for a value of more than $635,000 since its inception.

The unique corporate culture of the D-backs, which was created by Hall, led Yahoo! and Forbes to deem the club among the "best places to work in sports." In 2013, the sports industry's highly-regarded recruiting network TeamWork Online tabbed him as the "Best Boss" in sports, and the organization has been named on several occasions as the "Most Admired Company for Workplace Culture" by *AzBusiness* Magazine and *BestCompaniesAZ*. Fittingly, the D-backs' physical front office was rebranded the D-backs Culture & Innovation Center shortly before being rated No. 1 on *Ranking Arizona's* Best Places to Work list among small businesses.

Among the programs Hall has created is the President's Council, comprised of select members of the executive management team and a rotating committee consisting of the organization's Employee of the Month winners, to organize numerous company culture events throughout the year. He also established employee recognition programs like "A-Game All-Stars" to reward game-day employees for exceptional service on a monthly basis throughout the season. The organization's investment in its employees resulted in the D-backs becoming the first sports organization to be named among the "Best Places to Work" by the *Phoenix Business Journal* for nine consecutive years from 2007-15.

In the last 11 years, the team has eliminated more than $210 million of debt through equity and debt restructures, putting the club on sound financial ground for years to come.

The organization continues to rack up awards and honors under Hall's leadership, including the One Community Spotlight on Success (2015), Make-A-Wish Foundation's Chris Greicius Award (2014), the Phoenix Indian Center's Leon Grant Spirit of the Community Award (2014), Greater Phoenix Chamber of Commerce, IMPACT Award - Community Champion (2013), Arizona's Corporate Excellence Community Impact Award (2013), City of Phoenix Equal Opportunity Department - Excellence Award (2013), Arizona Business Leadership Award (2012), "Organization of the Year"

(2011) and the DREAMR award (2012) by the Downtown Phoenix Partnership, "Most Admired Company" and "Top Leadership" by *AzBusiness Magazine* (2011). In 2010, the D-backs were given the inaugural United Nations NGO Positive Peace Award, which named the D-backs the most positive team in the world. The award honors and recognizes organizations positively impacting their communities through corporate responsibility.

Hall's vision to further establish the organization as a sports industry leader while spurring economic development and impact throughout the Valley came to fruition in 2011, as the team hosted the Major League Baseball All-Star Game at Chase Field for the first time ever, creating an economic impact of more than $67 million. Hall's persistence in convincing MLB to award the Midsummer Classic to the D-backs allowed Chase Field and downtown Phoenix to be showcased in more than 100 million homes across the world, while working diligently with city leaders, politicians and officials to ensure that fans had the finest All-Star Game experience.

Salt River Fields at Talking Stick, the D-backs' 140-acre Spring Training facility shared with Colorado Rockies on Salt River Indian Community land near Scottsdale, Ariz., that Hall negotiated and designed, has greatly added to the already $350 million of economic impact for the Valley associated with Spring Training each year. In both 2011 and '12, the D-backs set a franchise record for Spring Training attendance while the two clubs set an all-time Major League record for combined attendance at a single Spring Training facility. Salt River Fields was the first pro sports training facility in the U.S. to be built on tribal land and was privately funded without the use of any taxpayer dollars. The facility received LEED-Gold certification from the U.S. Green Building Council in 2011, the first venue of its kind to achieve this designation.

Hall's vision for Salt River Fields was to keep fan interaction with players a top priority while also ensuring maximum comfort for visitors at the 11,000-seat ballpark. Both goals were accomplished, as the main stadium is located in the middle of the facility to enable fans to mingle throughout and get an up-close look at D-backs players as they practice. A unique roof structure and a northeast-facing field allow for approximately 85 percent of the fans in all 7,000 fixed seats to be shaded as the game progresses.

Hall routinely communicates with D-backs fans as part of his "one fan at a time" concept by answering every letter, email or phone call. He conducts monthly chats online and is among just a few club presidents on Twitter and Instagram (@DHallDbacks), where he interacts regularly with fans. Hall spends most of his time at home games communicating with the fans in the stands to ensure their experience at Chase Field is exceptional.

Among the projects outside of Chase Field and Salt River Fields that have Hall's fingerprints on them is the Legends Entertainment District, a joint venture between the D-backs, the Phoenix Suns and the City of Phoenix that is the first of its kind between two professional sports organizations. The project has transformed the look of downtown Phoenix by creating experiential outdoor marketing opportunities and an energetic backdrop for visitors and residents to enjoy their experience downtown.

Hall was personally selected to join a handful of corporate leaders by Governor Doug Ducey as one of his first orders of business to form a new pro-business group. The Arizona Zanjeros, as named by Ducey, are focused exclusively on economic development, defining Arizona's brand, and marketing the state to CEOs across the country and around the world. In 2015, he joined the Governor's important delegation on a weeklong trip to Israel.

Hall sits on Major League Baseball's International Committee and under his guidance, the D-backs hosted the first round of the 2013 World Baseball Classic. Hall has represented the team on goodwill trips to Mexico, Japan, the Dominican Republic, Australia and New Zealand, helping to bring international recognition to the franchise. In 2014, his continued efforts to showcase the D-backs on global stage reached its highest point, as the club hosted the Dodgers during MLB's historic Opening Series in Sydney, Australia, which was subsequently named the International Sports Event of the Year.

Hall also serves on MLB's diversity committee and the Commissioner's on-field diversity task force and in that regard, the D-backs have also been industry leaders. In 2016, the team hosted the highly regarded MLB Business Diversity Summit in Arizona in an effort to bring more diverse candidates into front offices around the game. The team was named to the 2014 and '15 Arizona Hispanic Chamber of Commerce's Million Dollar Circle of Excellence as an organization that spends more than $1 million annually with minority or women-owned businesses. In 2014, the D-backs became the first MLB organization to sign One Community's Unity Pledge which supports and advocates for workplace inclusion and protection for all, including LGBT community members. For his commitment to equality, Hall received the prestigious Torch of Liberty Award from the Anti-Defamation League (ADL) in 2014. The award, ADL's highest honor, was established to recognize individuals who have exhibited extraordinary humanitarianism, and whose everyday actions exemplify the principles of opportunity, anti-discrimination, equal rights, community involvement and fairness for all.

Hall currently serves on or is associated with 25 boards, including the Arizona Mexico Commission, Great Hearts Academies, Arizona Chamber of Commerce, ArizonaOn, Greater Phoenix Convention & Visitors Bureau, National Vice President of the Muscular Dystrophy Association, National Advisory Council for Pancreatic Cancer, Stand Up 2 Cancer Melanoma Dream Team Sponsor, Cancer Treatment Centers of America, US Airways Education Foundation, Valley of the Sun YMCA and Positive Coaching Alliance. Hall, who is the past Chairman of the Board for Make-A-Wish Arizona and current board member for Make-A-Wish America, is also a past Chairman of the Board for the Valley of the Sun United Way, where he raised $47 million throughout the Phoenix area as the VSUW's 2009-10 campaign chairman. He has also raised money by serving as an event chairman for the Prostate On-Site Project (POP) Walk, 75th Anniversary March of Dimes, March for Babies Walk, The Wellness Center, several Juvenile Diabetes Research Foundation (JDRF) events, Southwest Autism Research & Resource Center (SARRC), St. Vincent de Paul, Florence Crittenton and the Foundation for Blind Children.

Hall served as master of ceremonies at the 2015 Arizona inaugural ceremonies and gives numerous keynote speeches to various groups or conventions throughout the country about his unique vision on leadership, customer service and culture. He has spoken to U.S. Air Force Academy cadets at the annual National Leadership and Character Symposium. He donates speaking engagement fees back to the Arizona Diamondbacks Foundation and other local non-profit organizations he supports.

A native of Los Angeles, Hall joined the D-backs in May 2005 as Senior Vice President, Communications and served in numerous capacities prior to being named president in September 2006 and adding the title of CEO in January 2009. Prior to joining the D-backs, Hall made a brief stop as Senior Vice President, Corporate Communications for a Fortune 500 company based in Los

Angeles, where he increased brand awareness. He spent parts of 12 seasons with the Los Angeles Dodgers, joining the organization's Single-A Florida State League affiliate in Vero Beach, Fla., as an intern in 1992 and departing as the club's Sr. Vice President, Communications in 2004. In between, he served key roles during three ownership changes with the Dodgers and was recognized for reuniting Fernando Valenzuela with the organization after hiring him as a color analyst for the team's Spanish radio broadcasts in 2003.

Hall stepped outside of baseball for employment during the 1999 season, as he hosted a three-hour morning talk show on the Dodgers' flagship station (XTRA 1150 AM) and served as host of the "Dodger Game Day" pregame radio show when the team played at Dodger Stadium. He also had a stint in front of the camera as a weekend sports anchor at KNBC-TV (Ch. 4) in Los Angeles.

He received a bachelor's degree from Arizona State University, where he was named "Man of the Year" in 1991, in broadcasting and journalism and a master's degree from Ohio University in sports administration. In 2016, he received ASU's prestigious Founder's Day Alumni Achievement Award, becoming the first student in school history to receive both that honor and the ASU Young Alumni Achievement Award, which he received in 2003. Hall was inducted into the ASU Walter Cronkite School of Journalism and Mass Communications Alumni Hall of Fame in 2002. Hall was the keynote speaker for ASU's Cronkite school convocation in December 2008, becoming the first Cronkite alum to deliver a commencement speech at the school's graduation and also spoke at the W.P. Carey School of Business convocation in 2012. In 2016, he received ASU's Pitchfork Award for his accomplishments.

In 2006, Ohio University's Sports Administration Program recognized Hall as the 25th recipient of the Charles R. Higgins Distinguished Alumnus Award. In 2012, he received an honorary Doctorate degree from the University of Phoenix and spoke at the school's convocation.

His philanthropic efforts led to Hall being named the APS Peacemaker Award at Valle del Sol's Profiles of Success, the Bill Shover Leadership Award from United Blood Services and the Phoenix Award by the Phoenix Chapter of the Public Relations Society of America (PRSA) in 2013. He was the inaugural recipient of the Goldwater Community Service Award in 2012 by the Active 20-30 Club of Phoenix. In 2007, he was named to the *Phoenix Business Journal's* "Forty Under 40" class, was the recipient of the "Community Lifeline Award" from Teen Lifeline and was named the Phoenix Father's Day Council "Father of the Year" to benefit the American Diabetes Association. The *SportsBusiness Journal* added him to its prestigious "Forty Under 40" class in 2008. The *Phoenix Business Journal* also named Hall to its inaugural list of "Most Admired CEOs" in 2009. Hall is also a member of the ASU W.P. Carey School of Business "Dean's Council of 100," Young Presidents' Organization and the Thunderbirds.

He faced his greatest personal challenge when he was diagnosed with prostate cancer in September 2011, just as the team was battling for a division title. Hall immediately went public with the diagnosis in order to encourage other men to get tested after age 40. Following successful surgery to remove his prostate, Hall is now cancer free and has become a tireless advocate of cancer-fighting charities while continuing to speak publicly about the health challenge he faces. In 2014, he launched his own 501(c)(3) organization, the Derrick Hall Pro-State Foundation, which is dedicated to serving as a comprehensive tool for those who have been diagnosed with prostate cancer and their families to help them understand the challenges and choices they face and how they can maintain a "pro" state of mind. In 2014, he was honored with the USC Institute of Urology's Louis Zamperini Courage Award and the Pro-State Foundation was honored by Jane Seymour's Open Hearts Foundation, which supports organizations that are committed to positively impacting lives in the areas of health, education, arts and sports.

Hall and his wife, Amy, reside in Paradise Valley with two of their three children, Hayden and Kylie. Their oldest son, Logan, attends Pepperdine University where he is a member of the tennis team.

TONY LA RUSSA

CHIEF BASEBALL OFFICER

Tony La Russa is in his second full season as the D-backs Chief Baseball Officer and 55th in professional baseball. He joined the franchise on May 17, 2014, and in his current role, is involved in all facets of the organization's baseball operations. The 2014 inductee into the National Baseball Hall of Fame is the first person in Major League history to hold the position of Chief Baseball Officer.

Upon taking the reins of the D-backs' Baseball Operations, La Russa spent the 2014 season evaluating the entire system before naming Dave Stewart as Sr. VP & General Manager and De Jon Watson as Sr. VP, Baseball Operations. La Russa also led the process of hiring Chip Hale as the team's manager and together the group enjoyed a 15-game improvement between 2014-15.

This offseason, the Baseball Operations leadership added four All-Stars to the team - pitchers Shelby Miller and Tyler Clippard, infielder Jean Segura and former Cy Young Award winner Zack Greinke, who signed a six-year deal with the largest annual average value in Major League history.

Since joining the organization, La Russa and his staff have acquired 36 players via trade with an average age of 23.6 while trading away 32 players with an average age of 27.1. That includes starting catcher Welington Castillo, pitchers Rubby De La Rosa, Robbie Ray and Zack Godley in addition to four of the team's top 10 prospects, according to *Baseball America* (Peter O'Brien, Gabriel Guerrero, Jack Reinheimer and Domingo Leyba). A fifth top prospect, Yoan López, was signed as a free agent out of Cuba.

La Russa joined the D-backs following two seasons at Major League Baseball's league offices, serving as a Special Assistant to Commissioner Allan H. (Bud) Selig. He has also served on the Commissioner's 14-member Special Committee for On-Field Matters since December 2009.

La Russa, the winningest Major League manager since 1950 and the third-winningest of all-time, captured 3 World Series titles (1989, 2006, 2011), 6 League Championships (1988-90, 2004, '06 and '11), 12 division titles (1983, '88-90, 1992, '96, 2000, '02, '04-06 and '09) and was a 4-time Manager of the Year (1983, '88, '92, 2002). He and Sparky Anderson are the only 2 managers to win World Series titles in both leagues. His 2,728 regular-season wins as a manager trail only Connie Mack (3,731) and John McGraw (2,763) all-time, his 70 postseason wins are second-most behind Joe Torre (84) and his 14 postseason appearances are third-most behind Bobby Cox (16) and Torre (15).

He retired at the height of his success, following the 2011 World Series championship as skipper of the St. Louis Cardinals. La Russa finished his big league managing career with a .536 regular-season winning percentage (2,728-2,365) and a .547 postseason winning percentage (70-58). He led his teams to 100-plus wins on 4 occasions (1988, '90, 2004-05), a .600-plus winning percentage 6 times and a .500 winning percentage or better in 24 seasons.

He managed for 33 seasons in the big leagues with the Chicago White Sox (1979-86), Oakland A's (1986-1995) and St. Louis Cardinals (1996-2011) along with parts of 2 seasons managing in the minors. During his 16-year professional playing career, La Russa spent parts of 6 seasons in the Majors with the Kansas City Athletics (1963), Oakland A's (1968-71), Atlanta Braves (1971) and Chicago Cubs (1973).

La Russa's big league managerial career began with the White Sox in 1979 at the age of 35, when he became the youngest manager in the game. He was hired by then-General Manager Roland Hemond, who currently serves as D-backs Special Assistant to President & CEO Derrick Hall. He has been widely credited with creating the modern specialized bullpen and was an early adopter of statistical analysis.

He reached the pinnacle of his career in 2014, when he was elected to the National Baseball Hall of Fame by the Expansion Era Committee along with former Managers Cox and Torre. He was also inducted into the Cardinals Hall of Fame in 2014 and had his No. 10 retired by the team. La Russa is a member of the National Italian American Sports Hall of Fame (1998) and the Hispanic Heritage Baseball Museum Hall of Fame (2008).

A native Spanish-speaker, La Russa graduated from Jefferson High School in Tampa, Fla., the same school that produced current D-backs Senior Advisor to the President & CEO Luis Gonzalez as well as former big leaguers Tino Martinez and Fred McGriff.

La Russa graduated from the University of South Florida with a degree in industrial management and earned his Juris Doctor from Florida State University in 1978, passing the Florida bar in 1979. He was one of just five lawyer/managers in baseball history, all of whom are in the National Baseball Hall of Fame. He has earned honorary doctoral degrees from two colleges – the University of Missouri and Washington University.

In 2012, he released his memoir, "One Last Strike" and he was the focus of a 2005 book titled "Three Nights in August" by Buzz Bissinger and 1990 book titled "Men At Work: The Craft of Baseball" by George Will. All three books were named to the *New York Times* bestseller list.

La Russa and his wife, Elaine, founded Tony La Russa's Animal Rescue Foundation (ARF) in 1991 to address the needs of companion animals. Since then, the foundation has found a home for more than 30,000 animals while raising over $100 million. In 2015, ARF earned the highest 4-Star rating from Charity Navigator, the nation's largest independent charity evaluator. This marked the eighth consecutive year it has reached that designation, a level achieved by only 2 pct. of charities rated. Tony and Elaine's vision is an organization that can aid abandoned and homeless animals and promote the concept that people's lives can be enhanced by the bonds between humans and animals. For his efforts, La Russa was awarded the American Society for the Prevention of Cruelty to Animals' (ASPCA) prestigious Henry Bergh Founder's Award in 2007.

He and Elaine reside in Alamo, Calif. They have two daughters, Bianca and Devon, and countless rescued cats and dogs.

CULLEN **MAXEY**

EXECUTIVE VICE PRESIDENT, BUSINESS OPERATIONS

Cullen Maxey is in his 10th season with the Arizona Diamondbacks in 2016 and seventh as Executive Vice President, Business Operations. Maxey oversees all revenue-generating departments throughout the organization, including Analytics, Broadcasting, Communications, Community Affairs, Corporate Partnerships, Special Projects/Fan Experience, Game Operations/Multimedia Production, Marketing, Spring Training and Ticket Sales & Service.

Since joining the D-backs as Vice President, Corporate Partnerships, Maxey has stimulated revenue generation throughout the organization by enacting a proactive sales and service approach unique to Major League Baseball. Under his leadership, the Corporate Partnership team has increased revenue more than 50 percent, while decreasing the marketing inventory and total number of partners.

This season, the D-backs have taken the innovative step of evolving the team's on-field attire, a two-year process in which Maxey has played an integral role. This includes eight distinct uniform options and the reintroduction of one of the franchise's popular original colors, teal, as well as a bold gray color for the team's road uniforms. In addition, a sublimated diamond pattern adorns the shoulder, back, sleeve and pant leg on various uniforms, a subtle reference to the club's name, snakeskin and diamond shape of a baseball field.

In 2016, the D-backs have teamed up with PetSmart to create the first-ever season-long dog-friendly ballpark with a dedicated new PetSmart Patio and "Dog Days of Summer" program, two concepts developed by Maxey.

In 2015, the D-backs' fundraising and community giving reached its highest levels, as the team and Arizona Diamondbacks Foundation have now given back more than $45 million since their inception and raised more than $30 million since 2009. The D-backs Give Back Jersey Program was a huge success in its first year and will expand to 75 youth leagues and 40,000 athletes this year, each of whom will be wearing D-backs uniforms. Additional community programs created during his tenure include the Back-to-School Challenge which has awarded $650,000 to local schools; the 50/50 raffle which has raised more than $3 million for the community; the annual Celebrity Golf Classic benefiting military veterans programs; and the annual Race Against Cancer benefiting cancer related charities throughout the Valley. Maxey also created the D-backs Executive Council which brings together key executives throughout the Valley to contribute ideas, help fundraise and assist in executing the team's philanthropic efforts.

For the fifth consecutive year, the D-backs hosted the Most Valuable Partner awards program in January, a first-of-its-kind concept created by Maxey as a more effective way to teach marketing practices year round in a captivating way that motivates partners to participate. The on-stage production and dinner showcases the winners of each category and has garnered local and national attention, just one of several ways the D-backs seek to provide a better return for corporate partners. It has been lauded as a revolutionary way of improving the business-to-business summit in sports.

The D-backs' ticket sales strategies have continued to pay off, as an increased focus on business analytics has allowed the team to increase total ticket revenue, season ticket revenue, group sales and suite sales in each of the past six seasons despite a challenging sales climate. Maxey led the development of a season-ticket holder advisory board to gain a better perspective from the most valued customers, and the team created the Season Ticket Advantage program to continue to service those fans.

Maxey played a key role in directing his business operations team to ensure the success of the 2011 All-Star Game, which was played at Chase Field for the first time ever, the 2013 World Baseball Classic and 2014 Opening Series in Sydney, Australia. He has also played an integral role in the creation and execution of Salt River Fields at Talking Stick, the Spring Training facility on Salt River Indian Community land and the multi-million dollar Legends Entertainment District, the team's unique partnership with the Phoenix Suns that has begun to revitalize downtown Phoenix. With 55,000 square feet of dynamic outdoor digital and static signage opportunities, the project has developed new revenue for both teams while helping promote ticket sales and deliver team messages to more than 8 million annual visitors and 700 diverse events each year.

Maxey's path to the D-backs began with revenue generating positions at the Phoenix Suns from 1997-2001. He served as VP of Corporate Sales for the Phoenix Coyotes from 2001-04, which was highlighted by the opening of their new arena in Glendale. Prior to joining the D-backs, Maxey spent two years as the General Manager of Sun Devil Sports Marketing for CBS Collegiate Sports Properties, the multimedia rights holder of Arizona State University Athletics.

The Phoenix native is a member of the Thunderbirds and serves on the board for the Arizona Diamondbacks Foundation, Boys & Girls Club of Metro Phoenix, St. Joseph's Hospital and Medical Center Foundation and the Special Olympics of Arizona.

He and his wife, Brenda, have two children, Will and Lizzie, and reside in Chandler.

JOHN **FISHER**

SENIOR VICE PRESIDENT, TICKET SALES AND MARKETING

John Fisher is in his ninth year with the Arizona Diamondbacks in 2016, and sixth as the organization's Senior Vice President, Ticket Sales & Marketing. Fisher oversees all groups, suites and season ticket sales, service and ticket operations as well as all marketing efforts for the D-backs.

Fisher, who became a team Vice President prior to 2010, originally joined the D-backs in October 2007 as Director, Season Ticket Sales and Service and managed a staff of season tickets sales representatives that set an organizational record in new ticket package revenue for the 2008 season. His team increased the organization's full-season equivalents in 2008 for only the second time in franchise history and second time since 2002 after winning the World Series in 2001. Fisher also managed the season ticket service staff that achieved renewal rates of around 80 percent entering the 2009 and '10 seasons despite the downturn in the economy.

In 2011, he assisted Major League Baseball in pricing and sales strategies for the All-Star Game, which took place at Chase Field.

Prior to joining the D-backs, Fisher was the Vice President of Sales and Service for the Minor League Lake Erie Monsters of the America Hockey League for one season (2006-07) after spending six (2001-07) leading group sales efforts for the NBA's Cleveland Cavaliers and Quicken Loans Arena. With the Cavaliers, Fisher directed a staff that became the first NBA team to surpass $3 million in group sales revenue and finished in the Top 5 in total group sales revenue for four straight seasons while creating a number of best practices for the league. He also spent four seasons (1997-98, 2000-01) in the Pittsburgh Pirates' ticket office and two (1998-2000) with the NHL's Tampa Bay Lightning in group sales.

Fisher is a 1998 graduate of Robert Morris University in Pittsburgh, where he received his bachelor of science in Business Administration and Sports Management.

Fisher and his wife, Deb, reside in Scottsdale.

NONA **LEE**

SENIOR VICE PRESIDENT & GENERAL COUNSEL

Nona Lee is in her 17th season with the Arizona Diamondbacks in 2016 and seventh as Senior Vice President & General Counsel. Lee has served as Vice President & General Counsel since 2005, overseeing all legal issues for the organization. Upon assuming the role of General Manager, Stewart, Chief Baseball Officer Tony La Russa and Sr. Vice President De Jon Watson hired Chip Hale as the seventh manager in D-backs history and the group witnessed a 15-game improvement in 2015.

This offseason, the Baseball Operations leadership added four All-Stars to the team - pitchers Shelby Miller and Tyler Clippard, infielder Jean Segura and former Cy Young Award winner Zack Greinke, who signed a six-year deal with the largest annual average value in Major League history.

Since joining the organization, Stewart and his staff have acquired 36 players via trade with an average age of 23.6 while trading away 32 players with an average age of 27.1. That includes starting catcher Welington Castillo, pitchers Rubby De La Rosa, Robbie Ray and Zack Godley in addition to four of the team's top 10 prospects, according to *Baseball America* (Peter O'Brien, Gabriel Guerrero, Jack Reinheimer and Domingo Leyba). A fifth top prospect, Yoan López, was signed as a free agent out of Cuba.

A 3-time World Champion and 4-time 20-game winner, Stewart spent 6 seasons in the front offices of the Athletics, Padres and Blue Jays, serving as Toronto's Assistant General Manager before leaving the organization to create his own sports agency, Sports Management Partners. Stewart spent 13 years in that capacity, representing current and former players and coaches. Most notably, he served as the representative for Cris Carter and Matt Kemp, for whom he negotiated the then-largest contract in National League history, an 8-year, $160-million pact in 2012.

Stewart is the only current General Manager to play and coach in the Major Leagues, and one of just three current GMs to appear in a big-league game, joining Billy Beane and Jerry DiPoto. The last GM to serve as a Major League player and coach prior to becoming GM was Bob Watson with the New York Yankees from 1995-98.

Following a 16-year big league playing career, Stewart joined the Oakland front office as a Special Assistant to General Manager Sandy Alderson in 1996 before joining the Padres and filling the same role for Kevin Towers in 1997. In 1998, he returned to the field as San Diego's pitching coach and guided the team to the World Series.

Stewart returned to the front office as the Blue Jays Assistant GM, a position he held for three seasons (1999-2001) while also overseeing player development and scouting during his final season with the team. He also served as the club's pitching coach in

CRAIG **BRADLEY**

VICE PRESIDENT, FINANCE

Craig Bradley enters his 19th year with the D-backs and 10th as Vice President, Finance. He works closely with management as well as overseeing the accounting, purchasing, revenue sharing, reporting, Dominican and other business operations and is a member of the Club's Risk Management Committee.

Joining the team in September 1997 as Business Manager of Baseball Operations, Bradley worked alongside former GM Joe Garagiola, Jr. and other staff in setting up the Minor League system, Dominican Republic Academy, scouting and Major League operations. Prior to the inaugural 1998 season, he oversaw the completion and start-up of the Tucson training complex and consulted on the development of the new facility at Salt River Fields. In 1999, he identified the impact of player injuries and the effect on the player development process from a cost and appropriate time to evaluate perspective. Working with trainers, baseball executives and medical providers, he devised, implemented and managed an injury/workers compensation claim management approach that is proactive from the time an injury occurs through the doctor's final clearance. As a result, the D-backs consistently have the lowest rehab and workers compensation insurance premiums and are among the lowest in disabled list time in baseball.

Moving from baseball operations to finance in 2004, Bradley became the Controller in order to gain more experience and perspective on the operational and financial functions of the entire business. In this role he implemented a new accounting system, expanded staff roles over ticket revenue analysis and not-for-profit accounting, implemented a timely, efficient and secure mechanism for delivering funds to mobile players and staff and created an efficient projection process. In 2008, he lobbied to have the organization begin its annual fiscal planning process months earlier than usual. By having a preliminary financial plan for the next year due by May 31 of the current year, management is able to use the current season to assess operations and plan for next season, while also improving staff effectiveness during the busy off season.

Recognizing his leadership abilities, he was promoted to VP, Finance in 2006. A past member of the President Council (charged with business direction and company culture), Bradley develops effective, motivated and considerate staff while also working closely with the EVP/CFO on club debt and equity transactions, debt service compliance and other business matters.

In 2012, he led the effort to renegotiate and extend the club's lease of its Dominican Republic training facility, revamping the leadership there, managing a $500,000 facility improvement, and implementing policies to improve overall operations. Also in 2012, with the intent to increase community volunteerism amongst D-backs employees, identify and develop leaders, and build upon D-backs culture, Bradley created the D-backs Give Back League (DGBL). More than 100 employees joined together to form nine teams from 2012 to 2014. Each team created a plan to reach into the community. From homelessness, to foster care, youth education, at-risk populations, and the hungry, the DGBL's impact each year has been tremendous. While truly volunteer oriented, the DGBL still resulted in over $375,000 and $500,000 in cash, in-kind, and time donations each year. Bradley was awarded the D-backs' first ever Innovation Award in 2012 for his efforts.

A CPA, Bradley worked as the Asst. GM, Business Operations for the Phoenix Firebirds of the Pacific Coast League from 1994-97. With the Firebirds, he was responsible for game and stadium operations, season tickets, ticket operations and merchandising.

After graduating from Arizona State University in 1988, he joined the firm of Arthur Andersen & Co. before moving into the construction and manufacturing industries. He played baseball for the Sun Devils from 1983-85, earning a junior varsity letter.

An active board member and Treasurer of Dignity Health Foundation, East Valley and is a founding board member of About Care, Inc. He and his wife, Dr. Jennifer Bradley, have two daughters, Cecilia and Olivia, and make their home in Tempe.

In 2011, he was named the recipient of the Sheldon "Chief" Bender Award, as announced by Minor League Baseball. The award recognizes an individual with distinguished service who has been instrumental in player development, has established good relationships with their organization's affiliates and is well respected in the baseball community.

Gebhard joined the D-backs prior to the 2005 season after a five-year stint in a similar role with the St. Louis Cardinals from 2000-04 under then-General Manager Walt Jocketty, who he assisted in the club's day-to-day Major League operations including player evaluation and contract negotiations. He served as the D-backs' Interim GM from August-October 2005.

None of those roles were new to Gebhard, who was on the ground floor of the Rockies' franchise, joining the club during the winter in 1991 and building the entire baseball operations department from scratch. His efforts were rewarded with the Rockies' first playoff appearance only three years into their existence in 1995, winning the National League's first-ever Wild Card spot on the final day of the season. His early successes in Colorado included the signing of veteran Andres Galarraga to a free-agent contract the day before the 1992 Expansion Draft, then engineering a trade for slugging outfielder Dante Bichette immediately following the draft, with the duo eventually comprising half of the famed Blake Street Bombers. He was also responsible for signing Larry Walker to a multi-year free agent contract and the outfielder would later go on to win National League MVP honors. In fact, Gebhard and his staff were so thoroughly prepared for the Expansion Draft that six members of the 1995 Division Series playoff squad still remained when the Rockies played the Atlanta Braves.

Gebhard joined the Rockies after a successful stint in the Minnesota Twins' front office, joining the team as the Director of Major League Personnel in 1987, then assuming the role of Vice President of Player Personnel the following year. His first and last years with Minnesota culminated in a pair of World Series rings, as the Twins knocked off the Cardinals in 1987 and Braves in 1991.

Gebhard had an 11-year playing career as a pitcher that included big league duty with both the Twins and Montreal Expos. He was a player/coach in the Montreal organization from 1974-75, then was promoted to Minor League Field Director and pitching coach in 1976, a role he held for six seasons. Gebhard was part of Montreal's Major League coaching staff in 1982, then served as Director of Minor League Operations through 1986. He then joined the Twins, the organization that selected him in the 15th round of the first June draft in 1965.

A native of Lamberton, Minn., Gebhard earned 16 letters in four sports in high school. His athletic career then shifted to the University of Iowa, where he co-captained the baseball team and also played basketball.

Gebhard and his wife, Nancy, who still reside in Centennial, Colo., have three children, daughters Angie and Jenny, and son, Casey. They also have eight grandchildren.

Presented with the award in Cooperstown, N.Y., the honor is bestowed upon an individual whose efforts broadened the game's appeal and whose character, integrity and dignity is comparable to the late O'Neil, who passed away in 2006 after eight decades of contributions to the game. O'Neil was honored as the first recipient of the award in 2008.

Since joining the D-backs, Hemond has provided counsel to Derrick Hall and strengthened the D-backs' relationships throughout Major League Baseball while enhancing the organization's initiatives in Mexico. For three consecutive Spring Trainings from 2008-10 and again in 2015, the D-backs played exhibition games in Hermosillo, Mexico. He has regularly represented the team at the annual First-Year Player Draft at MLB Network's headquarters in Secaucus, N.J.

In April 2015, the D-backs dedicated Roland Hemond Field which is located at Alkire Park in Phoenix and was the team's 35th field in the "Diamonds Back" Field Building Program, presented by APS. The dedication ceremony was attended by local baseball, political and business leaders.

A 3-time winner of MLB's Executive of the Year award, Hemond has 65 years of professional baseball experience, including 23 seasons as a general manager with the White Sox (1971-85) and Baltimore Orioles (1988-95) and five seasons as Senior Executive Vice President with the D-backs (1996-2000). He later served as Executive Advisor with the White Sox (2000-07) until rejoining the D-backs. Hemond, who is considered the architect of the highly successful Arizona Fall League that began in 1992, is a nationally recognized ambassador of the game and a highly sought-after speaker. In 2003, Hemond was honored with the esteemed Branch Rickey Award, presented by the Rotary Club of Denver to individuals in baseball who contribute unselfishly to their community and who are strong role models for others. He was the first non-uniformed person to receive the award and remains the only one with that distinction.

During his first stint with the White Sox, Hemond was named Executive of the Year in 1972 and 1983. The 1972 White Sox went 87-67 for the organization's first winning record in five seasons. The 1983 club went 99-63 and won the AL West Division title by 20 games, which was then a record for largest winning margin. While with Baltimore in 1989, Hemond was tabbed Executive of the Year for the third time after the Orioles improved 32.5 games from the previous season and made a 22-game improvement in the standings. During his tenure with the White Sox and Orioles, Hemond negotiated 135 trades involving 428 players.

Hemond was honored by Minor League Baseball for his longtime dedication and service to the game as the 2001 "King of Baseball." Along with White Sox executive and former agent Dennis Gilbert and scouts Dave Yoakum and Harry Minor, Hemond helped found the Professional Baseball Scouts Foundation to provide assistance to longtime scouts who are in need of special support. In 2016, the organization gave Hemond its first and only Outstanding Achievement Award at its 13th annual awards reception.

Four annual awards are named in Hemond's honor: the first is presented by the White Sox in honor of those dedicated to bettering the lives of others through extraordinary personal sacrifice; the second is the *Baseball America* Award, presented to the person who has made major contributions to scouting and player development; the third is the Society of American Baseball Research (SABR) Award, given to the executive who has displayed great respect for scouts; and the final one is presented by the Arizona Diamondbacks to the individual in scouting who exemplifies the qualities of strong character, dedication to the D-backs' organization and an unfailing work ethic in the search for championship-level talent. Hemond was the inaugural recipient of both the *Baseball America* and SABR awards. He received an honorary degree in Humane Letters from the University of Phoenix in July 2006 and has encouraged baseball players, coaches and front office personnel to pursue their college degrees with the University of Phoenix online program, as well as other colleges. The elder Quinn was a part owner of the Boston Red Sox and Boston Braves and was the President of the National Baseball Hall of Fame and Museum from 1948-51. Hemond's son, Bob, is the founding partner of the Pacific Coast League's Sacramento River Cats.

RANDY **JOHNSON**

SPECIAL ASSISTANT TO THE PRESIDENT & CEO

Randy Johnson, considered among the top pitchers in Major League history, is in his second season as Special Assistant to D-backs President & CEO Derrick Hall. In his role, he assists the organization both on and off the field, working primarily with the team's Minor League pitchers while also assisting in the community.

In 2015, Johnson reached the pinnacle of his career as he was inducted into the National Baseball Hall of Fame in Cooperstown, N.Y., becoming the first player to feature an Arizona Diamondbacks cap on his plaque. The 5-time Cy Young Award winner (4 with the D-backs), ranks second on the all-time Major League strikeout list with 4,875 and first among left-handers. A 10-time All-Star, he won 303 games in his career, including a perfect game, and holds nearly every major career pitching record in D-backs franchise history.

Shortly after returning from Cooperstown, Johnson had his No. 51 retired by the franchise, becoming just the third player to receive that honor, joining Luis Gonzalez (No. 20) and Jackie Robinson (No. 42).

In 2001, Johnson was named the co-MVP of the D-backs' World Series Championship, helping the franchise win the only major sports title in the state's history in just the fourth year of the franchise's existence. After striking out 11 New York Yankees in a 3-hit shutout in Game 2, Johnson pitched 7.0 innings to earn the victory in the do-or-die Game 6 and then came on in relief during Game 7 to earn the victory. Of the team's 11 postseason wins that year, Johnson earned 5.

Johnson appeared in 22 big league seasons for the Expos, Mariners, Astros, D-backs, Yankees and Giants. His 303 career victories rank as the fifth-most by a left-hander in Major League history, while he holds 5 of the 7 highest single-season strikeout totals by a southpaw in modern history. His 5 Cy Youngs rank second all-time to Roger Clemens' seven and he is 1 of 2 pitchers to win the award 4 consecutive times (1999-2002) along with Pedro Martinez. In 1999, Johnson joined Gaylord Perry in the rare feat of winning the award in both the American and National Leagues.

A 9-time strikeout king and four-time earned-run average champion, Johnson was regularly clocked above 100 miles per hour during his playing career, leading to numerous incredible single-game performances. He struck out 20 batters in a game on May 8, 2001 vs. Reds and holds the Major League record for most strikeouts in a relief appearance (16 @ Padres on July 18, 2001). On May 18, 2004, Johnson became the oldest pitcher in Major League history to throw a perfect game when he accomplished the feat @ Braves. The left-hander also pitched a no-hitter for the Seattle Mariners on June 2, 1990 vs. Tigers and is one of five pitchers to throw a no-hitter in both the American and National League.

Johnson retired from baseball in January 2010 and on Jan. 6, 2015, was elected to the National Baseball Hall of Fame in his first year of eligibility with 97.3-percent of the vote, the third-highest percentage of all time for pitchers. He was inducted into the Seattle Mariners Hall of Fame in 2012.

Nicknamed "The Big Unit," the 6'10" Johnson held the title of tallest player in Major League history for much of his career before that was surpassed by his D-backs teammate Jon Rauch (6'11").

Following his retirement from the game, Johnson has dedicated significant time to photography, traveling around the world to capture some of the most unique places in Africa, Asia, Europe and the Middle East in addition to numerous concerts and high profile sporting events. His passion for photography dates to his days as a student at the University of Southern California, where he majored in photojournalism and shot for the "Daily Trojan."

A native of Walnut Creek, Calif., Johnson attended Livermore High School where he starred in baseball and basketball. In 1982, as a senior, he struck out 121 batters in 66 IP and threw a perfect game in his last high school start. He was drafted that year by the Atlanta Braves in the fourth round but elected to attend USC where he also played both sports.

An ardent supporter of the U.S. military, Johnson has taken several international trips with the USO to visit troops while also supporting initiatives to fight homelessness and befriending local Arizona youths with life-threatening medical issues. Randy Johnson Field, which he helped fund, is located at 16th St. & Jefferson in the shadows of Chase Field.

Johnson has 5 children: Heather, Sammy, Tanner, Willow and Alexandria.

GRAHAM **ROSSINI**

VICE PRESIDENT, SPECIAL PROJECTS & FAN EXPERIENCE

Graham Rossini is in his ninth season with the D-backs and fifth as Vice President, Special Projects & Fan Experience. In this business development capacity, Rossini manages the relationships between the D-backs and several key business partners, including Levy Restaurants & Retail Group. He also oversees the club's stadium branding, retail business, baseball outreach efforts, Spring Training business operations, Alumni Association, the renovation and sustainability planning of Chase Field and serves as the club contact for all MLB special events.

This season, the D-backs have taken the innovative step of evolving the team's on-field attire, a two-year process in which Rossini played a leading role. This includes eight distinct uniform options and the reintroduction of one of the franchise's popular original colors, teal, as well as a bold gray color for the team's road uniforms. In addition, a sublimated diamond pattern adorns the shoulder, back, sleeve and pant leg on various uniforms, a subtle reference to the club's name, snakeskin and diamond shape of a baseball field.

Armed with the support of D-backs ownership, and the Office of the Commissioner, the D-backs worked closely with licensees Majestic, New Era and Nike to develop the new look that was designed by D-backs graphic designers with support from MLB Design Services.

Rossini and his team have worked with Levy Restaurants & Retail Group on many enhancements to the D-backs' decorated fan experience. The entire Chase Field retail footprint was redesigned prior to the 2015 season to include additional square footage, state-of-art payment technology, walk-in concept shops and the addition of a mobile merchandise truck. Additionally, several new food concepts were added, including specialty locations that feature craft beer, innovative desserts, local food brands and restaurant concepts. Under his direction, the Special Projects team is also tasked with the future planning and development of 18-year old Chase Field and previously directed the revenue-generating enhancements and renovation of luxury suites, All-You-Can-Eat Seats, Sharp Legends Suites & Conference Center, American Airlines Lounge, Mountainside Fitness Club and Game Seven Grill.

Rossini also oversaw the design, construction and business planning of Salt River Fields at Talking Stick, the D-backs' award-winning Spring Training complex. The facility opened in 2011 and was a finalist for Sports Facility of the Year from the Sports Business Journal. Salt River Fields also achieved LEED-Gold certification from the US Green Building Council in 2011, becoming the first venue of its kind to achieve this designation. Since opening, the complex holds the top five all-time Spring Training attendance records and led all of baseball in total and average attendance each season, while D-backs Minor League affiliates have made 20 playoff appearances and won nine league titles during this span.

As the primary club contact for the acquisition and execution of Major League Baseball jewel and international events, Rossini helped lead the D-backs' successful efforts to host the 2011 All-Star Game, 2011 Postseason, and 2013 World Baseball Classic. He also coordinated the 2014 MLB Opening Series in Sydney, Australia, and the 2015 D-backs exhibition game in Hermosillo, Sonora Mexico.

The Mobile, Ala., native also oversees the D-backs Baseball Academy, the organization's official baseball camps and outreach programs. He helped create the D-backs Youth Jersey Program, which outfits over 40,000 youth baseball and softball players in 75 unique leagues throughout Arizona in free D-backs jerseys and caps, and the club's Alumni Association, which is designed to reconnect former players and coaches with the organization. He and his staff introduced the annual D-backs Alumni Game which debuted in 2012 and the Collegiate Baseball Series in 2015.

REMEMBERING JOE BLACK

Major League Baseball and the Arizona Diamondbacks suffered a great loss with the passing of Joe Black on May 17, 2002. Black began his playing career in the Negro Leagues and shuffled through various professional leagues before making his Major League debut in 1952 with the Brooklyn Dodgers as a teammate of Jackie Robinson. Black made baseball history as a rookie when he became the first African-American pitcher to win a World Series game and eventually was named the National League Rookie of the Year.

Black remained an integral part of baseball following his playing days. As Vice President of B.A.T. (Baseball Assistance Team), he dedicated his time to helping fellow baseball players who had fallen on hard times. He contributed his vast knowledge of the game as a consultant to the Commissioner's Office. A Phoenix resident, Black worked in the D-backs' Community Affairs department and shared his stories as a guest speaker for numerous community groups.

Beyond baseball, Black was a pioneer in the business world and worked tirelessly to impact the civil and human rights advancements for minorities.

In remembrance of him, a baseball bearing his name hangs from the rafters of Chase Field.

The Arizona Fall League honors his memory with the Joe Black Most Valuable Player Award:

SNAKE BITES – CHRIS OWINGS

- Mom, Sherri, is a school teacher and goes and he visits her class when he is home for the offseason...dad, John, is a manager at Best Distributing, a roofing company.
- Comes from a very athletic family: Great uncle was a Minor League umpire, mom played volleyball and softball in college, dad played baseball in college, older brother, Kyle, pitched in the D-backs' organization in 2012 and younger brother, Connor, plays baseball at Coastal Carolina University.
- Connor has a chronic kidney disease and is on a waitlist for a kidney transplant.
- Started playing baseball at age 4 and his parents didn't want him to hit off a tee and instead did "coach pitch" from the beginning...they stressed putting the ball in play before reaching 2 strikes.
- Was a self-described "brat" as a kid around his family...his aunt would threaten to leave him on the side of the road because he would be a pest in the car.
- Met his fiancé, Brittany, a cheerleader for the University of South Carolina, when they were home in Charleston, S.C. after the 2013 season.

SNAKE BITES – DAVID PERALTA

- Started playing baseball at 3 years old at the encouragement of his father, who worked for Bridgestone Tires for almost 40 years.
- Played with Major Leaguers Felix Doubront, Alex Torres and Yangervis Solarte growing up.
- Favorite player growing up, since he was a pitcher, was Johan Santana (hasn't met him yet).
- At 15, was a skinny outfielder without power and pitched in a lot of tournaments...his arm caught scout's attention and told him there was a lot of outfielders so he should concentrate on pitching...signed with St. Louis at 17 in 2004 for about $35,000.
- Was motivated to learn English after meeting his wife Jordan in Jupiter, Fla...met in a bar when her friends pinched his butt and he turned around and saw her...took a friend out on their dates to help with the language barrier then got worried that he may flirt with her, so then he learned English quickly.
- His hardest adjustment when coming to the United States was learning the different kinds of food...once went to China Buffet and thought the wasabi was guacamole and mistakenly ate a spoonful.
- Had a mid-90's fastball and a good "12-to-6" breaking ball before his first shoulder (labrum) surgery...got hurt again and thought his baseball dream was over...was released on Cinco de Mayo in 2009 and hasn't liked that holiday ever since...asked the Cardinals to allow him to stay for 2 weeks after being released so he could see his wife graduate from college.
- Parents persuaded him to try hitting again and first played in a government-run independent league in Venezuela...went back to the United States, without an agent, and was given the number of Eduardo "Eddie" Dennis, who managed the Rio Grande Valley WhiteWings (now in the Phillies' organization)...rented a car and drove to practice and was signed after his hitting session.
- Worked at McDonalds to make enough gas money to drive to Texas to play with Rio Grande...slept on an air mattress in his first season with the WhiteWings.
- Had interest from Tampa Bay and Anaheim before signing with Arizona...D-backs scout Chris Carminucci wanted him to come to Phoenix for a tryout in 2013 but couldn't afford to travel...Carminucci then came to Florida to see him hit in a batting cage in St. Petersburg...texted and called Carminucci every day but Arizona's Spring Training rosters were full so they couldn't sign him at that time...started the season playing independent baseball, and had to wait until July before signing by the D-backs.
- Met Tony La Russa while at Double-A Mobile and was speechless...thought he just wanted to talk about the Cardinals but chatted about his swing and told him that he would "see him soon"...was promoted to the D-backs 2 weeks later and cried when he got the news from his manager, Andy Green.
- Visited the MLB Urban Youth Academy in Compton, Calif., on June 14, 2014.
- Nickname is the Freight Train.

- His dad was very involved and threw batting practice to A.J. everyday...dad and other fathers of A.J.'s friends built the baseball field that was near A.J.'s parents house...later in life, his dad would require shoulder surgery.
- Freshman year of high school, he was 5-foot-2, 115 lbs. then grew to 5-9 by his junior year and a couple inches his senior year...got hurt so much over those 2 years because he grew so quickly, which was "frustrating and devastating."

- Ended up going to Notre Dame after sitting next to a recruiter on a flight to Ariz. for a showcase...visited South Bend in Oct. 2005, the same weekend as the "Bush Push" game vs. USC...wasn't recruited by Boston College.
- Was going to try out to be a walk-on kicker at Notre Dame but hurt his quad the night before climbing a fence.
- Had to wait to tell his mom about his 2015 All-Star selection because he knew she was on a bike ride and would fall off reading the text, which she did earlier that year.
- Proposed to his wife, who is from Australia, on Bondi Beach when the team played the 2014 Opening Series vs. Dodgers.

- Started playing baseball when he was 4…credited his parents for not pressuring him to play, thus letting him really enjoy the game and growing the love of the sport.
- Told his dad when he was 12 that he was going to become a professional baseball player and buy him a Harley Davidson motorcycle…fulfilled his promise on his dad's birthday in 2010, the year he signed his contract with Washington.
- Met his wife, Taylor, in 2012…she was a singer in Nashville and they had a mutual friend that invited them out to celebrate their birthdays…told his friend that night that he was going to marry her…when he proposed they were at a hotel and spent the evening walking around and looking at Christmas lights after a romantic dinner…proposed in front of a wishing well after tossing a penny into the well and, when she asked what he wished for, he proposed.

SNAKE BITES – BRAD ZIEGLER

- Dad, Greg, has been a minister at 2 different churches over the course of 31 years...mom, Lisa, was a substitute high school teacher.
- Grandfather served in the Korean War and was a colonel in the Army.
- Supports the military and their families with his foundation "Pastime for Patriots"...after he got into that role he started to appreciate what his family members who served had done a lot more.
- Mowed lawns during high school to make money...helped his dad build a fence for the African exhibit at the Kansas City Zoo by cutting down trees...during a summer break in college, worked as a Civil War battlefield tour guide.
- Switched to his "submarine" delivery after the 2006 season at the urging of Oakland's Minor League staff...said the repetition of the delivery was the hardest part...kept the grips of his pitches the same, just releases from a different angle.
- Enjoys collecting baseball cards and golfing...played in the 2015 Waste Management Open Pro-Am.
- Met his wife, Kristen, while she was in the stands during an A's Spring Training game...circled the parking lot after the game to find her and then they began a long-distance friendship.
- Is a big sports fan and watches the Kansas City Chiefs, Kansas Jayhawks (season-ticket holder) and San Jose Sharks.

Luis Gonzalez presents Paul Goldschmidt with the inaugural Luis Gonzalez Award on Oct. 1, 2015.

LUIS GONZALEZ AWARD

In 2015, the Luis Gonzalez Award was created, which will be given annually to the D-backs player who best exemplifies the talents, spirit and heart of the D-backs legend both on and off the field, as voted by his teammates, coaches and clubhouse staff.

Paul Goldschmidt was honored in a pregame ceremony on Oct. 1, 2015 as winner of the inaugural award.

"I'm humbled to have an award named after me, especially since it is something that will be voted upon by the players and staff," said Gonzalez. "There could not be a better person to take home an award that focuses on talents both on and off the field than Paul Goldschmidt. He's clearly become one of the best players in the game and he truly understands the responsibility that goes along with that in the community."

One of the most popular figures in Arizona Diamondbacks history because of the way he interacted with fans and his game-winning single in Game 7 of the 2001 World Series to give the organization its first World Championship, Gonzalez became the first former player to have his number retired by the D-backs during a pre-game ceremony in 2010.

NO-HITTERS

RANDY JOHNSON ON MAY 18, 2004 @ BRAVES

Adept at setting records throughout his career, Randy Johnson added something new to his impressive resume when he retired all 27 Atlanta Braves he faced on May 18, 2004, at Turner Field. At 40 years, 251 days, he became the oldest pitcher in history to record a perfect game, bettering Cy Young, who was 37 years, 37 days on May 5, 1904. Johnson's gem was the 15th in modern day regular season history, the 16th including Don Larsen's perfect effort for the Yankees in the 1956 World Series.

Johnson fanned 13 in the 117-pitch performance which concluded with a 98-mph pitch to Eddie Perez to end the game. It was the first no-no in franchise history and first perfect game in the Majors since the Yankees' David Cone on July 18, 1999 vs. Montreal. It was also the first perfecto in the National League since the Expos' Dennis Martinez on July 28, 1991 @ Dodgers.

JACKIE ROBINSON

MLB CAREER

YEARS: 1947-1956

AWARDS: 6x NL All-Star (1949-54), 1947 Rookie of the Year, 1949 NL Most Valuable Player.

NOTES: Bud Selig announced on April 15, 1997, that Jackie Robinson's No. 42 was retired by Major League Baseball, barring players on any Major League club to wear the number...as an exception to the retired number policy, MLB has recently begun honoring Robinson's legacy by allowing players to wear No. 42 on April 15 each season to celebrate Jackie Robinson Day... for the 60th anniversary of Robinson's Major League debut. MLB invited players to wear No. 42 on Jackie Robinson Day in 2007...the gesture was originally the idea of Ken Griffey, Jr., who sought Rachel Robinson's permission to wear the number... after receiving her permission, Selig not only allowed Griffey to wear the number, but also extended an invitation to all clubs to do the same.

2001 WORLD SERIES - NOTEBOOK

- D-backs entered the World Series with Craig Counsell as the only active player in possession of a World Championship ring (Marlins, 1997) while the Yankees were 3-time defending champs.
- Randy Johnson and Curt Schilling were the second co-MVP's in World Series history joining the Los Angeles Dodger trio of Ron Cey, Pedro Guerrero and Steve Yeager...it marked the 20th and 21st time a starting pitcher won the award, first since Florida's Livan Hernandez in 1997.
- It was the third time in World Series history that the home team won every game, joining the Twins against St. Louis in 1987, and Twins against Atlanta in 1991.
- D-backs outscored New York 31-5 in the 4 wins, and were outscored 9-6 in the trio of 1-run losses in the Bronx.
- D-backs were the fastest expansion team to get to the Fall Classic a year quicker than Florida in 1997...at the time, other expansion clubs to make the World Series and the year they qualified - Mets (eighth year), Royals (12th year), Seattle Pilots/Milwaukee Brewers (14th year), San Diego (16th year), Toronto (16th year)... remaining expansion clubs that have not appeared in the Series include the Angels, Senators/Rangers, Colt 45's/Astros, Expos, Mariners, Rockies and Devil Rays.
- Arizona pitching held the Yankees to .183 team average (42-for-229), the lowest average ever in a 7 or 8 game World Series... previous low was .185 by St. Louis vs. Kansas City in 1985.
- Arizona's overall staff ERA of 1.94 was lowest in World Series play since Cincinnati's 1.70 mark in a 4-game sweep of Oakland in 1990 and lowest in a 7-game set since Kansas City had a 1.89 mark in '85 vs. the Cardinals.
- D-backs were the first team in 80 years to win the first 2 games they ever played in the World Series, the fourth team overall joining the 1914 Boston Braves, 1919 Cincinnati Reds and 1921 New York Yankees.
- The walk-off finish to Game 7 was the 11th overall "sudden death" ending to a World Series, the third in a row that involved a 7-game series...the last was the 1997 finish when Craig Counsell scored the tie-breaking run in the 10th inning as Florida defeated Cleveland...the other was Minnesota's 10th inning win over the Braves in the Metrodome in 1991.
- D-backs are the 19th team to win the series after trailing 3 games to 2...it was also the 11th time a team won Games 6 and 7 at home.
- It was the first time the Yankees were involved in a Game 7 of any postseason series since the 1964 World Series went to the limit against St. Louis.
- D-backs snapped New York's postseason series streak at 11, handing the Bronx Bombers their first series loss since the 5-game Division Series with Cleveland in 1997.
- When Curt Schilling and Roger Clemens hooked up in the final game, it marked the sixth time 20-game winners squared off in the seventh game, first since John Tudor (St. Louis) and Bret Saberhagen (Kansas City) in 1985.
- The 15-2 win in Game 6 alone was worth the following tidbits:
  - + D-backs recorded a World Series-record 22 hits.
  - + 15 runs tied with Toronto for third highest in a World Series game.
  - + 13-run margin of victory tied for second best ever matching the Yankees' 16-3 win over Pittsburgh in Game 2 of 1960 World Series, and was the second-highest ever, just behind an 18-4 Yankee win in Game 2 of the 1936 win over the Giants.
  - + 15-0 lead after 5 innings tied the biggest lead by any team at any time in World Series game...the Yankees had a 16-1 lead in Game 2 of the '60 series against Pittsburgh.
  - + Arizona's 8-run third inning marked the best inning since Game 6 of 1968 series when Detroit scored 10 times in third inning of 13-1 win over St. Louis.

HONORING & REMEMBERING OUR FRIENDS

STEVE PASCENTE MEMORIAL MEDIA LOUNGE | MARCH 12, 1954-OCTOBER 15, 1994

Steve Pascente was one of the most dedicated at his craft as a sports reporter/anchor for 12 News/KPNX-TV and died while on location covering football in Washington D.C. His wife, Julie, has kept his memory alive with the Steve Pascente Charitable Foundation, which supports a variety of foundations including Widowed With Children, The Steve Pascente Memorial Scholarships at Arizona State University and The Andre House. When the D-backs opened the 1998 season against the Colorado Rockies, Nick Pascente, the son of Steve and Julie, served as honorary batboy.

DICK DOZER MEMORIAL PRESS BOX | MARCH 12, 1925-JANUARY 4, 1994

Dick Dozer spent the majority of his life covering Major League Baseball for the *Chicago Tribune*, but he was hardly a stranger to the Valley. He arrived in Phoenix and wrote for the *Phoenix Gazette*, while also contributing his time in organizing the annual "Dream Game," an old-timers contest that benefitted the Phoenix Memorial Hospital Foundation, and working with the Mesa Ho-Ho-Kams. Dozer was BBWAA Chapter President in 1976. He passed away in 1994. His son, Rich, was an integral player in the D-backs' inception as team president from 1995-2006 and has an executive conference room named in his honor.

JOHN MICHAELSON RADIO BOOTH

The Arizona Sports 620 radio booth was named after John Michaelson prior to the 2001 season, honoring the veteran producer/engineer who passed away in the winter of 2000. A veteran behind the scenes in radio broadcasting for years, including three seasons on D-backs broadcasts, Michaelson was a tireless worker and friend to all who came in contact with him.

JOE GILMARTIN HONORARY SEAT

Joe Gilmartin is an iconic Valley writer who earned the highest honor with the 2014 Naismith Memorial Basketball Hall of Fame's Curt Gowdy Media Award. He was a 16-time Arizona Sportswriter of the Year, a 2015 inductee into the Arizona Sports Hall of Fame and in 2004, was the second inductee into the Associated Press Sports Editors Arizona Sports Writers' Hall of Fame. Gilmartin covered 25 NBA Finals, 15 Final Fours, 20 Super Bowls and 14 World Series, including the D-backs' 2001 World Championship run. He had a 34-year career with the Phoenix Gazette from 1962-96. He covered the Phoenix Suns as a beat writer and broadcast analyst, which led to his book "The Little Team That Could… And Darn Near Did!," a look back at the Suns' 1976 NBA Finals run. Late in his career, he served as a contributing writer to D-backs' Publications and the D-backs' and Suns' websites. Gilmartin's son, Leo, has been a member of the D-backs broadcasting department since 1996.
